Ingredients:

CHICKWEED HERB—Great value in treating blood toxicity. Particularly useful in reducing excess fat. Used to protect damaged or inflamed tissues.

BURDOCK ROOT—Increases flow of urine and acts as a diuretic. Used to treat water retention and infections of the urinary tract. Eliminates excess nervous energy.

FENNEL SEED—Relieves gas and pains in the bowels. Has a cooling affect on the bowels. Lubricates the intestines and is very healing.

HAWTHORNE BERRIES—Normalizes blood pressure. An anti-spasmodic and sedative. Helps with strain for those under pressure. Good for circulation.

LICORICE ROOT—Contains substances similar to the adrenal hormones. Treats adrenal insufficiency. Has a stimulating action and helps counteract stress.

PARSLEY HERB—Useful for bladder infections. Builds energy. Helpful for difficult urination. Used to treat water retention. Used as a preventive herb.

DANDELION ROOT—Used for blood purification. Has properties to protect the stomach lining. Helps neutralize excess acids.

KELP (Norwegian)—Useful in maintaining a healthy condition and overcoming minor imbalances. Recommended for those who are weak and run down. Used in the recovery from acute ailments and in rebuilding energy for those suffering chronic diseases.

BLADDERWRACK—Works on the glandular system. A reducing aid to be used in conjunction with other herbs for weight problems.

GOTU KOLA—Considered one of the best herb tonics. Used for all ailments of the mind and nerves.
